City of Milton  
Community Development Authority Minutes

12/15/2015 - Minutes

**1. Call to Order**

Chair Nancy Lader called the meeting of the Community Development Authority to order at 6:32 p.m.

Present: Ald. Nancy Lader, Ald. Maxine Striegl, Comm. Amanda Benway, Comm. Ethel Himmel, Comm. Dave Schumacher, and Comm. Mike Sessler.

Also Present: City Administrator Al Hulick, Finance Director Dan Nelson, and City Clerk Elena Hilby.

**2. Approval of Agenda**

Ald. Striegl moved to approve the agenda. Comm. Himmel seconded, and the motion carried.

**3. Approval of Minutes - Community Development Authority – November 17, 2015.**

Comm. Himmel moved to approve the minutes. Comm. Benway seconded, and the motion carried.

**4. Public Hearing on Proposed Amended and Restated Lease with the City of Milton for Public Property in Tax Incremental Districts No. 6 and No. 7.**

Chair Lader opened the public hearing at 6:33 p.m.

Maureen Schiel from Ehlers was present to discuss the sales of the bonds.

Chair Lader closed the public hearing at 6:42 p.m.

**5. Discussion and Possible Action Regarding a Resolution Approving An Amended and Restated Lease With the City of Milton; and Authorizing the Borrowing of \$1,845,000 and the Issuance and Sale of Community Development Lease Revenue Refunding Bonds, Series 2016A Therefor.**

Comm. Sessler moved to approve Resolution 2015-30 - Approving the amended and restated lease and approve \$1.845M CDA lease revenue bonds. Comm. Schumacher seconded, and the motion carried.

**6. General Items**

**7. Motion to Adjourn**

Comm. Himmel moved to adjourn the meeting of the Community Development Authority at 6:44 p.m.

Comm. Benway seconded, and the motion carried.

Respectfully submitted,  
Elena Hilby  
City Clerk

## Office of the City Administrator

**To:** Mayor Welch, Community Development Authority  
**From:** Al Hulick, City Administrator  
**Date:** May 17, 2016  
**Subject:** Discussion and Possible Action on Resolution 2016-11 Approving a Project Plan Amendment for Tax Incremental District No. 6.

---

### Summary

The City of Milton Administration is proposing an Amendment to the original Project Plan for Tax Incremental District No. 6. The purpose of this Amendment is to:

1. Allow for the District to share surplus increments with Tax Incremental Districts No. 7 & 8 under the provisions of Section 66.1105(6)(f) of the Wisconsin Statutes; and,
2. The proposed amendment would further allow the District to incur project costs outside of, but within  $\frac{1}{2}$  mile of, the boundaries of the District as permitted under Wisconsin Statutes s.66.1105(2)(f)1.n.

### Background

As TIF No. 6 (commonly referred to as the Crossroads Business TIF) continues to show great success, State Statutes allow successful TIF Districts to share their increment with “underperforming” TIF Districts. Currently TIF 7 and 8 are underperforming TIF’s and could benefit from the ability to share in TIF 6’s successes.

Currently TIF No. 8 (Goodrich Square) is “upside down” in that the current value of the TIF is less than it was on the day it was created. This “decrement” in value does not allow for any expenditures within that TIF. This problem is unlikely to ever correct itself and will likely result in the closure of TIF No. 8 once all debt service from that TIF has been paid off. However, in the interim, this Amendment would allow for improvements to be made within TIF 8 and support any development incentives that may be requested until such time that the TIF can be closed and a new TIF established.

TIF No. 7 (Merchant Row) is not in nearly as dire shape as TIF No. 8. However, this TIF would be considered to be “underperforming” as well, due to the very small amount of increment that is being generated on an annual basis. Again, this Amendment would allow for improvements and incentives to be provided through TIF No. 6 to TIF No. 7 if needed. Furthermore, this Amendment will likely be the primary funding source for the improvements planned for Merchant Row this Fall and in 2017.

### **Analysis**

This Amendment will not change the boundaries of the TIF District, nor extend the life of the TIF District.

As part of this process, the JBR, CDA, and City Council review the following:

1. The boundaries of the District shall be named "Tax Incremental District No. 6, City of Milton", remain unchanged as specified in Exhibit A of this resolution.
2. That this Project Plan Amendment shall become effective as of the date of adoption of this resolution provided that it is further approved by the Joint Review Board.
3. The Common Council finds and declares that:
  - a. Not less than 50%, by area, of the real property within the District is and remains suitable for industrial sites and zoned for industrial use within the meaning of Wisconsin Statutes Section 66.1101.
  - b. Based upon the findings, as stated in 3.a. above, and the original findings as stated in the resolution creating the District, the District remains declared as an industrial district based on the identification and classification of the property included within the District.
  - c. The improvement of such area is likely to enhance significantly the value of substantially all of the other real property in the District.
  - d. The City estimates that none of the territory within the District will be devoted to retail business at the end of the District's maximum expenditure period, pursuant to Wisconsin Statutes Section 66.1105(5)(b).
  - e. The project costs of the District relate directly to promoting industrial development in the District consistent with the purpose for which the District was created.
  - f. Any real property within the District that is found suitable for industrial sites and is zoned for industrial use will remain zoned for industrial use for the life of the District.
4. The amended Project Plan for "Tax Incremental District No. 6, City of Milton" (attached as Exhibit B) is approved, and the City further finds the Plan is feasible and in conformity with the master plan of the City.

### **Recommendation**

The City Administration recommends adoption of the proposed resolution amending the Project Plan for Tax Incremental Finance District No. 6.

RESOLUTION NO. 2016-11

**RESOLUTION APPROVING A PROJECT PLAN AMENDMENT  
FOR TAX INCREMENTAL DISTRICT NO. 6  
CITY OF MILTON, WISCONSIN**

WHEREAS, the City of Milton (the “City”) has determined that use of Tax Incremental Financing is required to promote development and redevelopment within the City; and,

WHEREAS, Tax Incremental District No. 6 (the “District”) was created by the City on January 21, 2003 as an industrial district; and,

WHEREAS, the City now desires to amend the Project Plan of the District in accordance with the provisions of Wisconsin Statutes Section 66.1105, (the "Tax Increment Law"); and,

WHEREAS, such amendment will allow for the District to share surplus increments with Tax Incremental Districts No. 7 & 8 under the provisions of Wisconsin Statutes Section 66.1105(6)(f); and,

WHEREAS, such amendment will allow for the District to incur project costs outside of, but within ½ mile of, the boundaries of the District as permitted under Wisconsin Statutes Section 66.1105(2)(f)1.n; and,

WHEREAS, an amended Project Plan for the District (the “Amendment”) has been prepared that includes:

- a. A statement listing of the kind, number and location of all proposed public works or improvements within the District, or to the extent provided in Wisconsin Statutes Sections 66.1105(2)(f)1.k. and 66.1105(2)(f)1.n., outside of the District;
- b. An economic feasibility study;
- c. A detailed list of estimated project costs;
- d. A description of the methods of financing all estimated project costs and the time when the related costs or monetary obligations are to be incurred;
- e. A map showing existing uses and conditions of real property in the District;
- f. A map showing proposed improvements and uses in the District;
- g. Proposed changes of zoning ordinances, master plan, map, building codes and City ordinances;
- h. A list of estimated non-project costs;
- i. A statement of the proposed plan for relocation of any persons to be displaced;
- j. A statement indicating how the amendment of the District promotes the orderly development of the City;
- k. An opinion of the City Attorney or of an attorney retained by the City advising that the plan is complete and complies with Wisconsin Statutes Section 66.1105(4)(f).

WHEREAS, prior to its publication, a copy of the notice of public hearing was sent to the chief executive officers of Rock County, the Milton School District, and the Blackhawk Technical College District, and any other entities having the power to levy taxes on property located within the District, in accordance with the procedures specified in the Tax Increment Law; and,

WHEREAS, in accordance with the procedures specified in the Tax Increment Law, the CDA, on May 17, 2016 held a public hearing concerning the proposed amendment to the Project Plan, providing interested parties a reasonable opportunity to express their views thereon.

NOW, THEREFORE, BE IT RESOLVED by the CDA of the City of Milton that:

1. The boundaries of Tax Incremental District No. 6 remain unchanged as specified in Exhibit A of this Resolution
2. It approves and adopts the amended Project Plan for the District, attached as Exhibit B, and recommends its approval to the Common Council.
3. Amendment of the Project Plan of the District promotes orderly development in the City.

Adopted this \_\_\_\_\_ day of \_\_\_\_\_, 2016.

# SECTION 1: Executive Summary

---

## Description of District

### Type of Districts, Sizes and Locations

Tax Incremental District No. 6 (the “TID” or “District” or “Donor”) is an existing industrial district, which was created by a resolution of the City of Milton (“City”) Common Council adopted on January 21, 2003 (the “Creation Resolution”). The District was previously amended on May 3, 2005, August 13, 2013 and October 21, 2014 whereby resolutions were adopted to add additional territory to the District, and to amend the list of projects to be undertaken. These amendments were the first, second and third of four territory amendments permitted for this District.

### Purposes of this Amendment

There are two purposes for this amendment:

1. To allow the District to share surplus increments with Tax Incremental Districts No. 7 & No. 8 (the “Recipient Districts”) under the provisions of Wisconsin Statutes Section 66.1105(6)(f). Based on the projects included in this plan it is anticipated that the District will transfer \$1,090,000 in increment to the Recipient Districts.
2. To allow for the District to incur project cost outside of, but within ½ mile of, the boundaries of the District as allowed under Wisconsin Statutes Section.66.1105(2)(f)1.n.

### Economic Development

Authorizing the District to share increments with the Recipient Districts will provide additional resources needed to assist the Recipient Districts in accomplishing the economic development goals set forth in their Project Plans. Without this assistance, it is unlikely this will happen, or will happen within the timeframe, or at the levels projected. The application of the District’s surplus increment, as permitted by Wisconsin Statutes, promotes the overall economic development of the City to the benefit of all overlapping taxing jurisdictions.

### Expected Termination of District

The Donor District has a maximum statutory life of 23 years, and must close not later than January 21, 2026, resulting in a final collection of increment in budget year 2027. Prior to this amendment the original plan and subsequent amendments estimated project costs of \$13,500,000. At the end of 2015 total project expenses in the District has been about \$9,400,000. Based on the remaining expenditures the City may make and assuming the additional related development, the anticipated total cumulative revenues will exceed total liabilities by the year 2023, enabling the District to close 3 years earlier than its maximum life. Based on the Economic Feasibility Study located in Section 10 of this Plan, amendment of the District would shift the projected closure year from 2023 to 2024 as a result of the allocation of increment to TIDs 7 & 8.

### Summary of Findings

As required by Wisconsin Statutes Section.66.1105, and as documented in this Project Plan Amendment and the exhibits contained and referenced herein, the following findings are made:

1. **That “but for” amendment of the Donor District’s Project Plan, the economic development objectives of the Recipient District’s Project Plans will not be achieved.** In evaluating the appropriateness of the proposed amendment, the Joint Review Board must consider “whether the development expected in the tax incremental district would occur without the use of tax

incremental financing,” customarily referred to as the “but for” test. Since the purpose of this amendment is solely to allow for the sharing of the Donor District’s increment with the Recipient Districts, this test cannot be applied in the conventional way. The Joint Review Board has previously concluded, in the case of both the Donor District and the Recipient Districts, that the “but for” test was met. As demonstrated in the Economic Feasibility section of this Project Plan Amendment, without the receipt of increment from the Donor District TID No. 8 is not likely to recover its current Project Costs and TID No. 7 would not be able to take on additional costs without extending its anticipated closure date. This would create a significant financial burden for City taxpayers, and since all taxing jurisdictions will ultimately share in the benefit of the redevelopment projects and increased tax base, it is appropriate for all taxing jurisdictions to continue to share in the costs to implement them. Accordingly, the City finds that it is reasonable to conclude the “but for” test continues to be satisfied with respect to the proposed Amendment.

2. **The economic benefits of amending the Donor District, as measured by increased employment, business and personal income, and property value, are sufficient to compensate for the cost of the improvements.** In making this determination, the City has considered the ability of the Donor District to share increment with the Recipient Districts is necessary to enable those Districts to fully realize the economic benefits projected in their Project Plans. Since the District is generating sufficient increment to pay for its project costs, and has surplus increment available to pay for some of the project costs of the Recipient Districts, the economic benefits that have already been generated are more than sufficient to compensate for the cost of improvements in the Donor and Recipient Districts.
3. **The benefits of the proposal outweigh the anticipated tax increments to be paid by the owners of property in the overlying taxing jurisdictions.** Given that it is likely that the Recipient Districts will not achieve all of the objectives of its Project Plans or in the same manner without the ability to share in the surplus increments of the Donor District (see finding # 1), and since the District is expected to generate additional economic benefits that are more than sufficient to compensate for the cost of the Projects within the Recipient Districts to be funded with the shared increment (see Finding #2), the City reasonably concludes that the overall additional benefits of the District outweigh the anticipated tax increments to be paid by the owners of property in the overlying taxing jurisdictions. It is further concluded that since the “but for” test is satisfied, there would, in fact, be no foregone tax increments to be paid in the event the Project Plan is not amended.
4. The boundaries of the District are not being amended. At the time of creation, and any subsequent additions of territory, not less than 50%, by area, of the real property within the District is suitable for industrial sites and zoned for industrial use within the meaning of Wisconsin Statutes Section 66.1101. Any real property within the District that is found suitable for industrial sites and is zoned for industrial use at the time of the creation of the District, or at the time its boundaries were amended, will remain zoned for industrial use for the life of the District.
5. Based upon the findings as stated above, and the original findings as stated in the Creation Resolution and in any subsequent resolutions amending the boundaries of the District, the District remains declared an industrial district based on the identification and classification of the property included within the District.
6. The Project Costs of the District relate directly to promoting industrial development in the District consistent with the purpose for which the District was created.
7. The improvements of such area are likely to enhance significantly the value of substantially all of the other real property in the District.

8. The amount of retail business will not change as a result of this amendment.
9. The Project Plan for the District, as amended, is feasible, and is in conformity with the Master Plan of the City.

## SECTION 2: Type and General Description of District

---

The District was created under the authority provided by Wisconsin Statutes Section 66.1105 on January 21, 2003 by resolution of the Common Council. The District's valuation date, for purposes of establishing base value, was January 1, 2003.

The District is an "Industrial District," created on a finding that at least 50%, by area, of the real property within the District was zoned and suitable for industrial sites within the meaning of Wisconsin Statutes Section 66.1101. Since this amendment does not add any territory to the District, the District remains in compliance with this provision. Any real property within the District that was found suitable for industrial sites and was zoned for industrial use at the time of the creation of the District, or at the time its boundaries were amended, will remain zoned for industrial use for the life of the District.

Wisconsin Statutes Section 66.1105(4)(h)2. provides authority for a City to amend the boundaries of an existing Tax Increment District for purposes of adding and/or subtracting territory up to a total of four times during the life of the District. The boundaries of the Donor District have been amended three times prior to this Amendment. Since this amendment does not involve the addition or subtraction of territory from the District, it is not counted against the number of available boundary amendments.

This Project Plan Amendment supplements, and does not supersede or replace any component of the original Project Plan, or any component of previously adopted Project Plan Amendments, unless specifically stated. All components of the original Project Plan, and its previously adopted Project Plan Amendments, remain in effect.

A map depicting the current boundaries of the District is found in Section 3 of this Plan. Based upon the findings stated above, the original findings stated in the Creation Resolution, and the findings contained in any subsequent resolution adding territory to the District, the District remains an industrial district based on the identification and classification of the property included within the District.

# SECTION 3: Map of Current District Boundary

## SECTION 4: Map Showing Existing Uses and Conditions

---

There will be neither changes to District boundaries nor any changes to the existing uses and conditions within the District as a result of this Amendment. Please refer to the original TID Project Plan and subsequent Project Plan Amendment for prior maps showing the existing uses and conditions of property.

## SECTION 5: Equalized Value Test

---

No additional territory will be added to the District. Demonstration of compliance with the equalized value test is not required for this Amendment.

## SECTION 6: Statement of Kind, Number and Location of Proposed Public Works and Other Projects

---

This amendment provides the authority for the Donor District to allocate surplus increments with the Recipient Districts. In addition, this Amendment provides authority for the City to undertake projects within territory located within one-half mile of the boundary of the District provided that: 1) the project area is located within the City's corporate boundaries and 2) the projects are approved by the Joint Review Board. The cost of projects completed outside the District pursuant to this section are eligible project costs, and may include any project cost that would otherwise be eligible if undertaken within the District. The City intends to make the following project cost expenditures outside the District: Neighborhood stabilization, infrastructure improvements, and streetscaping projects.

**The City reserves the right to implement only those projects that remain viable as the Plan period proceeds.**

Project Costs are any expenditure made, estimated to be made, or monetary obligations incurred or estimated to be incurred, by the City and listed in this Plan or the original Project Plan. To the extent the costs benefit the City outside the District, a proportionate share of the cost is not a Project Cost. Costs identified in this Plan are preliminary estimates made prior to design considerations and are subject to change after planning is completed. Prorations of costs in the Plan are also estimates and subject to change based upon implementation, future assessment policies and user fee adjustments. Project Costs will be diminished by any income, special assessments or other revenues, including user fees or charges, other than tax increments, received or reasonably expected to be received by the City in connection with the implementation of this Plan.

## SECTION 7: Map Showing Proposed Improvements and Uses

---

There will be neither changes to District boundaries nor any changes to the existing uses and conditions within the District as a result of this Amendment. Please refer to the original TID Project Plan and subsequent Project Plan Amendments for prior maps showing the proposed improvements and uses of property.

## SECTION 8: Detailed List of Project Costs

---

The following table identifies remaining uncompleted project cost included with the original Project Plan and subsequent amendment and the Projects to be included under the ½ mile authority under this Amendment.

City of Milton, Wisconsin		
Tax Increment District # 6		
Estimated Project List		
Project ID	Project Name/Type <sup>1</sup>	
1	Public Improvements	1,000,000
2	Development Incentives	150,000
3	Neighborhood Stabilization (1/2 Mile Radius)	33,333
4	Infrastructure Improvements (1/2 Mile Radius)	33,333
5	Streetscaping Projects (1/2 Mile Radius)	33,334
Total Projects		<u>1,250,000</u>
Notes:		
1	Project ID's 1 & 2 are uncompleted projects that were added to the plan as part of a Project Plan Amendment approved in October of 2014.	

## SECTION 9: Economic Feasibility Study, Financing Methods, and the Time When Costs or Monetary Obligations Related are to be Incurred

---

This Project Plan Amendment allows the Donor District to allocate positive tax increments to the Recipient Districts. The authority for this Amendment is Wisconsin Statutes Section 66.1105(6)(f) which provides for the allocation of increments providing that the following are true:

- The Donor District, the positive tax increments of which are to be allocated, and the Recipient Districts have the same overlying taxing jurisdictions.
- The allocation of tax increments is approved by the Joint Review Board.
- The Donor District is able to demonstrate, based on the positive tax increments that are currently generated, that it has sufficient revenues to pay for all project costs that have been incurred under the Project Plan for that District and sufficient surplus revenues to pay for some of the eligible costs of the Recipient Districts.
- The Recipient Districts were created upon a finding that not less than 50 percent, by area, of the real property within the District is blighted or in need of rehabilitation, or the project costs in the District are used to create, provide, or rehabilitate low-cost housing or to remediate environmental contamination.

The Donor District and Recipient Districts have the same overlapping taxing jurisdictions, and the Recipient Districts were created on a finding that not less than 50 percent, by area, of the real property within each District is blighted.

The Exhibits following this section demonstrate that the Donor District is generating sufficient tax increments to pay for its project costs, and that surplus increments remain that can be allocated to pay some of the project costs of the Recipient Districts. Accordingly, the statutory criteria under which this amendment can be approved are met.

Notes:

<sup>1</sup> Tax increment revenue figures shown for 2014, 2015 and 2016 are actual. Tax increment revenue figure for 2017 and on is estimated based on the prior year's tax rate.

<sup>2</sup> Revenues, expenditures and fund balance shown for 2014 are audited figures. Revenues and expenditures shown for 2015 and 2016 are staff provided preliminary 2015 year end estimates and preliminary 2016 budget. Projected project costs for year 2017 - 2020 are estimated developer incentive payments.

<sup>3</sup> The City is using tax incremental revenue to abate portions of the debt service payments due on its G.O. Corporate Purpose Bonds dated 12-20-2007 and its G.O. Promissory Notes dated 2-9-2011.

<sup>4</sup> The cumulative fund balance shown for 2014 & 2015 includes \$249,500 in restricted funds which is the debt service reserve requirement for both the TID 6 and TID 7 allocated portions of the 2006 CDA Lease Revenue Bonds. In 2016 the requirement was reduced to \$184,500.

**Projected TID Closure**

NOTES:

Projected TID Closure

<sup>1</sup> Revenue, expenditures and fund balance shown for 2014 are audited figures. Revenues and expenditures shown for 2015 and 2016 are staff provided 2015 year end estimates and 2016 budget.

## SECTION 10: Proposed Zoning Ordinance Changes

---

The City does not anticipate the need to change any of its zoning ordinances in conjunction with the implementation of this Project Plan amendment. Any real property within the District that is found suitable for industrial sites and is zoned for industrial use will remain zoned for industrial use for the life of the District.

## SECTION 11: Proposed Changes in Master Plan, Map, Building Codes and City of Milton Ordinances

---

It is expected that this Plan will be complementary to the City's Master Plan. There are no proposed changes to the Master Plan, map, building codes or other City ordinances for the implementation of this Plan.

## SECTION 12: Relocation

---

Where the relocation of individuals and business operations would take place as a result of the City's acquisition activities occurring within the District, relocation will be carried out in accordance with the relocation requirements set forth in Chapter 32 of the Wisconsin Statutes and the Federal Uniform Relocation Assistance and Real Property Acquisitions Policy Act of 1970 (P.L. 91-646) as applicable.

## SECTION 13: Orderly Development of the City of Milton

---

This Project Plan Amendment will have no impact on the viability of the original District Project Plan as it relates to the orderly development of the City.

## SECTION 15: List of Estimated Non-Project Costs

---

Non-Project Costs are public works projects that only partly benefit the District or are not eligible to be paid with tax increments, or costs not eligible to be paid with tax incremental finance funds.

### Examples would include:

A public improvement made within the District that also benefits property outside the District. That portion of the total Project Costs allocable to properties outside of the District would be a non-project cost.

A public improvement made outside the District that only partially benefits property within the District. That portion of the total Project Costs allocable to properties outside of the District would be a non-project cost.

Projects undertaken within the District as part of the implementation of this Project Plan, the costs of which are paid fully or in part by impact fees, grants, special assessments, or revenues other than tax increments.

The City does not expect to incur any non-project costs in the implementation of this Project Plan.

SECTION 16:

Opinion of Attorney for the City of Milton Advising Whether the Plan is Complete and Complies with Wisconsin Statutes 66.1105

Mayor Anissa Welch  
City of Milton  
710 South Janesville Street  
Milton, WI 53563

**RE: City of Milton, Wisconsin Tax Incremental District No. 6 Amendment**

Dear Mayor Welch,

As city attorney for the City of Milton, I have reviewed the Tax Incremental District No. 6 Project Plan Amendment dated May 5, 2016 and, in my opinion, have determined that it is complete, and complies with Wisconsin Statutes Section 66.1105 (4) (f).

Thank you.

Very truly yours,

CONSIGNY LAW FIRM, S.C.
