Discussion

As part of the Library reconstruction project, the City has identified some additional items that could be sold at surplus. These items are in addition to the items approved at the February 16, 2016 City Council meeting. The new items include:

- A conference table,
- desks, and
- some small additional scrap items from demolition of the library and from other replacement or maintenance projects.

Staff Recommendation

City Staff is requesting permission to sell these items as resale items or scrap items.
