Subject: Discussion and possible action regarding Baxter and Woodman 2016 Engineering Services Work Order – Miscellaneous Services

Discussion

Baxter & Woodman has sent an engineering services work order to us for 2016. This is similar to our work order from previous years. This gives us a discounted rate for 200 hours of services. We only pay for the hours of work performed.

Staff Recommendation

City Staff is requesting permission to approve the Baxter & Woodman contract for discounted rates for 200 hours of services.
