Peter R. Petroff
5 South John Paul Road
Milton, WI 53563
608-868-7471

May 4, 2016

To the City of Milton Wisconsin;

This letter is a request to allow the use of a temporary shed at our residence, to store the contents of our existing barn, during the deconstruction of the existing barn, and the construction of a new garage.

Attached you will find a drawing indicating the placement planned for the temporary shed pending your approval.

Thank you for your consideration in this matter.
Peter Petroff

§ 78-315

MILTON CODE

Sec. 78-315. Use restrictions.

The following use restrictions and regulations shall apply:

- (1) *Permitted uses.* Only those principal uses specified, their essential services, and the uses enumerated in subsections (2)—(5) of this section shall be permitted in that district.
- (2) *Accessory uses.* Accessory uses and structures are permitted in any district but not until their principal structure is present or under construction. residential accessory uses shall not involve the conduct of any business, trade, or industry.
- (3) *Conditional uses.* Conditional uses and their accessory uses are considered as special uses requiring review, public hearing, and approval by the city plan commission and issuance of a conditional use permit in accordance with division 3, article II of this chapter.
- (4) *Unclassified or unspecified uses.* Unclassified or unspecified uses may be permitted by the city plan commission, provided that such uses are similar in character to the principal uses permitted in the district.
- (5) *Temporary uses.* Temporary uses such as real estate sales field offices or shelters for materials and equipment being used in the construction of a permanent structure, may be permitted by the city plan commission.
 - a. *Performance standards.* Performance standards, as listed in this chapter, shall be complied with by all uses in all districts.
 - b. *Sewage disposal.* Sewage disposal facilities shall be connected to the sewage disposal system of the city. In any district where public sewage service is not available, the width and area of all lots shall be sufficient to permit the use of an on-site sewage disposal system designed in accordance with the county public health ordinance and the Wisconsin Admin-

istrative Code. In no case, however, shall the minimum lot size required in the zoning district in which such structure is to be located be reduced below the specified minimum.

- c. *Clear vision triangles.* In each quadrant of every street intersection there shall be designed vision clearance triangle, bounded by the inner street lines and a line connecting them 35 feet from their intersection. Within this triangle no object shall be allowed above the height of 2½ feet above the streets if it obstructs the view across the triangle. This provision shall not apply to tree trunks, posts or wire fences, but does apply to evergreen trees.

(Code 1968, § 9.20)

Sec. 78-316. General district regulations.

The following regulations set forth requirements that usually do not apply uniformly throughout the city, but rather cover things that are applicable to one or more districts:

- (1) *Erection of more than one principal structure on a lot.* In any district no more than one principal structure housing a permitted or conditional use may be erected on a single lot except in the PUD, M-1, M-2, A-1, A-2 and B-2 districts where the re-
