

Department of Public Works

To: Mayor Welch, Common Council members
From: Howard Robinson, Director Public Works
Date: March 5, 2019
Subject: Discussion and Possible Action Regarding Roof Repairs at Well #4 and Treatment Plant Facilities

Summary

The Public Works Department opened bids for roof replacements on February 28, 2019. We received two bids for this work, and I am requesting acceptance of the low bid of \$47,500 received from Pioneer Roofing. They plan to do this work in April of 2019 if approved.

Recommendation

City Administration recommends accepting the low bid of \$47,500 from Pioneer Roofing for roof replacement at well #4 and the treatment plant facilities.
